WHERE **STYLE**
MEETS **CONVENIENCE**

A woman with long brown hair, wearing a dark red long-sleeved top and a matching skirt, is sitting on a teal-colored Honda Style scooter. She is looking towards the camera with her hand resting on her chin. The scooter is parked on a dark surface, and its reflection is visible below it. The scooter has a brown leather seat, a black rearview mirror, and a black license plate that reads 'HONDA'. The word 'Style' is written in a stylized font on the side of the scooter. The background is dark and out of focus.

ABS

Royal Green

The image consists of two side-by-side photographs of a teal-colored Honda scooter. The left photograph is a close-up of the front fairing, highlighting the 'Pop-Up Center Hook' feature, which is a small, rectangular, black plastic component located centrally below the handlebars. Above it, a small, square, black plastic cover is visible. The right photograph shows the 'Full Digital Panel Meter', which is a large, rectangular, black plastic unit with a silver-colored bezel. It features a digital display showing '100 km/h' and '00 0000' (odometer). The display is surrounded by various indicator lights and buttons. The Honda logo is visible on the right side of the panel. Below the panel, the 'Center Hook' is also visible, which is a small, rectangular, black plastic component located centrally below the handlebars.
